

# The Book of Faery Magic

Enter a world of magic and enchantment with the new book by Australian authors Lucy Cavendish and Serene Conneeley.

Faeries have long captured the imagination, inspiring people to weave mystical stories, create beautiful art and protect and hold nature as sacred. The very idea of them lifts the spirits, opens the heart and the mind, reminds us of the secret longings of our soul, and fills us with happiness, spontaneity and child-like wonder.

*The Book of Faery Magic* is a must for anyone wanting to grow closer to nature and to their own wild self. Rich in tradition, history, research and faery lore, it is filled with whimsical accounts of interaction with the fae, grounded guidance on working with them, and beautiful ideas for reconnection with the magical realms. From the faeries we can rediscover who we really are, and awaken our natural abilities to create wonderful, enchanted lives that are full of meaning and purpose, fun and delight.

Whether you believe that faeries are truth or fantasy, *The Book of Faery Magic* is your portal to a state of being where fun, light-hearted and healing energy will help you fulfil all your dreams, transform your life and improve your relationship with the earth, your self and others.
