“Serene Conneeley’s compassionate nature and deep knowledge shine through on this wonderful CD. As I listened and moved through the elements, I felt loved, cleansed, inspired and guided by her sweet voice and clear insights. She is a gentle, loving, wise teacher of wisdoms we can all benefit from, and this CD takes us on a sacred journey not only into the earthly and heavenly elements and realms, but into history, spirituality, and self-love. *Sacred Journey* is a gem to treasure.”
